

Jessie

WOMEN'S SIZE 10

Foot Length - up to
266 mm / 10 1/2 inches

1. Print this page at ACTUAL SIZE (100% scale).

Compare the scale marker on this page with a ruler.

If the scale isn't correct, your Xero Shoes will not fit correctly, so adjust accordingly.

2. Position your bare foot on this page so you can see the middle "strap line" somewhere in front of the webbing between your first (big) toe and 2nd toe.

If your foot extends past the border, try a larger size.

If there is more than 1/4" (6mm) between the back of your heel and the heel line, try a smaller size.

Remember, you can trim the toe area of your Jessie sandal to match your foot shape.
